Working for Samhall

You can receive work with Samhall if you have a reduced working capacity and have not been found able to find work through any other measures. The work is adapted to your capabilities, so that you will be able to learn and develop at your own pace. You are always part of a team, so that you can work with others and take responsibility. In the long term, the employment should lead to your finding work in the regular labour market.

Can I receive work with Samhall?

You can receive work with Samhall if you have a reduced working capacity due to a functional impairment and you need work that is adapted to your capabilities. You must also

- be registered as a jobseeker at Arbetsförmedlingen
- have a working capacity that is so reduced that you cannot find other work or have your needs met by other measures.

How much payment will I receive?

You have the right to receive a wage and other employee benefits in accordance with the collective agreement in force in the sector.

Can I try working at other employers?

You always have the opportunity to try working at another employer when you are employed at Samhall. If you regret your decision, you can return to Samhall within a year.

When you are ready to being working outside of Samhall, you can receive help with training and work experience.

Who does what?

Contact Arbetsförmedlingen if you would like to know more about working for Samhall. Your employment officer can then assess whether you can receive work there. Ahead of an employment, you can make a study visit at Samhall with your employment officer, so that you can experience what it is like working at Samhall.

Before you begin working at Samhall, we make an agreement together with you, the employer and the trade unions. The agreement will state the aims of the employment. It must also include the tasks that you are to be given, how you are to be able to develop and the support that you need at the work place.

You and your staff leader at Samhall are to regularly follow up your employment and to make a personal development plan. You follow up the development plan by holding regular planning meetings.

Regulations

The ordinance (SFS 2000:630) on special measures for persons with functional impairments and reduced working capacity, particularly paragraphs 32, 33 and 34.
