

## Arbetsförmedlingen Luftfart

-for Airport employers

At the Swedish employment services at Arlanda Airport you will meet professional staff with knowledge of the industry and experience with recruitment within hotel, restaurant, retail, logistics and general service on airports within Sweden.

We will continuously attend job fairs and other events to market airports as an attractive employer, as well as available positions. Also we will cooperate with local offices regarding matching unemployed competence for available work at the airport.

### Our recruitment services at the Airport:

As a complement to your recruitment process we can offer:

- Dialogue and consulting about your recruitment requirements
- Recruitment event
- Recruitment meetings
- Matching, selection and candidate presentation – with focus on priority groups.
- We also provide access to our facilities for recruitment needs.
